RESPONSE SUBMITTED ON MAY 1, 2007

Sir:

This is a Supplemental Response to the Office Action mailed from the U.S. Patent and Trademark Office (PTO) on February 1, 2007, for which a response was submitted by the Applicants earlier on May 1. This Supplemental Response is to correct a recently discovered typographical error in the application number written on the Terminal Disclaimer which accompanied the earlier response filed on May 1, 2007.

The Attorney for Applicants respectfully requests that the previously filed incorrect Terminal Disclaimer be replaced by the correct Terminal Disclaimer which accompanies this Supplemental Response. Applicants respectfully submit that the

error to be corrected is obvious, in that the Serial Number on the incorrect Terminal Disclaimer bears no relationship to the subject application, whereas the Serial Number on the accompanying corrected Terminal Disclaimer is that of the above-identified subject application.

The requisite Terminal Disclaimer fee under 37 CFR 1.26(d) had been previously paid with the earlier response filed on May 1, 2007. Thus, Applicants respectfully submit that no additional fees should be required for the filing of this corrected version of the Terminal Disclaimer. However, should any additional fees be determined to be necessary in connection with this supplement response, Applicants respectfully request that any such additional fees be charged to Deposit Account No. 12-0615.

If there are any additional requirements for the replacement of the previously filed erroneous Terminal Disclaimer with the accompanying correct Terminal Disclaimer, Applicants respectfully request that the undersigned Attorney for Applicants be contacted, preferably at (415) 981-2034.

Respectfully submitted,

Leona L. Lauder
